Anty Drudge's Washing Test

'Anty Drudge'—This basket of clothes was boiled and rubbed the old-fashioned way but ten times, yet the fiber has been so weakened that they're full of holes. The other basket was washed the same number of times the Fels-Naptha way, and there is not a break in them—fabric as strong apparently as when it came off the loom.

Does Monday morning find your kitchen like a Turkish bath and steam filtering into every room? If you enjoy the odor of boiling clothes, well and good. If you don't, then use Fels-Naptha Soap. Fels-Naptha will cleanse your clothes in cool or lukewarm water—no boiling—in half the time it takes by the old-fashioned way. Hard rubbing and all the other disagreeable features of washday done away with.

Use it according to directions on the red and green wrapper.

THE CITY WATER TODAY

Subjoined is today's official report of the condition of the city water, in connection with which the city water works and sewerage board, authorizes the following statement:

"Use the city water for drinking. It is clear, pure and absolutely free from all that is harmful. Well water may give you fever and other sickness. Perkins Boynton, at the city water works plant, shows that the city water contains no fever germs whatever while well water and river water show thousands of fever germs in every drink you take."

SURVIVORS

Of New State Conventions to Help Celebrate Founders' Day.

One of the most interesting features of the celebration of West Virginia Semi-Centennial and Golden Jubilee at Wheeling during the week of June 15-21 will be "Founders' Day." This will be an occasion for the gathering of the survivors of the conventions of 1861 and 1862 which met in 1861 and declared in favor of the division of the old state and the formation of a new commonwealth. Recognizing that the delegates to these conventions were the veritable fathers of the community of counties now comprising the state of West Virginia, the Wheeling committee has arranged for every elaborate exercises on Friday, June 20, in commemoration of the Founders.

The program for these exercises is in the hands of a committee composed of Hon. W. P. Hubbard, J. C. Brady and Dr. S. L. Jepson, all of whom were residents of Wheeling when West Virginia was born. The service of the settlers of the state will be given full recognition in the program being prepared by this committee.

Among the survivors of the convention held at Wheeling fifty years ago are the following: Hon. John J. Davis, Clarksburg; Dr. W. L. Grant, Grafton; Alpheus Garrison, Monongalia county; Col. George R. Lathan, Buckhannon; W. T. Brown, Grafton; and Perry M. Hale, of Weston. The committee would be glad to hear from any others who were delegates or present in any other capacity at any of these conventions.

Prof. Finley W. Nott, of Parkersburg, is in the city to instruct his dancing classes this afternoon and night in Hoffman Hall.
